

Honeytreat Trade Academy – Privacy Policy

Effective: (Automatic sign-up date)

Hi! 🙌

At Honeytreat Trade Academy we take your privacy seriously and we're fully committed to protecting your personal information in line with the Nigeria Data Protection Act 2023 (NDPA). Here's the straightforward version of how we handle things.

What information we collect: We only collect what's necessary to give you a great experience: your name, email, phone number, username, securely hashed password, profile photo (if you add one), and date of birth if you choose to share it. We also collect usage details such as device type, IP address, app version, which features you use, projects you create, feedback, comments, messages, ratings, basic payment transaction IDs (card details are never stored by us—our secure payment partners handle that), and support messages or chat logs.

We don't collect sensitive personal information unless you voluntarily provide it.

How we use your information We use it to:

- Create and manage your account
- Deliver and improve the app services
- Process payments and subscriptions
- Personalise your experience
- Send important updates, support replies, and (with your consent) occasional promotions
- Prevent fraud, abuse, and keep the app secure
- Meet legal obligations under NDPA and FCCPA
- Carry out anonymised analytics to make the app better

Our lawful basis for processing (NDPA compliant)

- Performance of our contract with you (for core app features)
- Your consent (for marketing and some optional uses—you can withdraw it anytime)
- Legal obligations (tax, breach reporting, etc.)
- Legitimate interests (security, fraud prevention, service improvement), always balanced against your rights

Who we share your data with Only when necessary and under strict controls:

- Payment processors (limited to transaction needs)
- Trusted service providers (hosting, analytics, etc.) bound by tight contracts
- Authorities if required by law

- In the event of a business transfer (we'll notify you where possible)

We do **not** sell your personal data—ever.

International transfers If your data leaves Nigeria, we make sure it's protected with NDPA-approved safeguards such as adequacy decisions or standard contractual clauses.

Security We use encryption (in transit and where appropriate at rest), access controls, and regular security checks. If a breach occurs that could seriously affect you, we'll notify you and the Nigeria Data Protection Commission as quickly as the law requires.

How long we keep your data Only for as long as needed: account information while your account is active plus a short period afterwards for legal reasons; usage logs usually up to 12–24 months. After that we delete or fully anonymize it.

Your rights You have the right to:

- Access, correct, delete, restrict, or port your data
- Object to certain processing
- Withdraw consent at any time

Just email us at honeytreatacademy ltd@gmail.com or use the in-app settings. We'll respond within 30 days (or let you know if we need a little more time). If you're not happy with our response, you can contact the NDPC directly.

Cookies & similar tech We use essential cookies to keep the app working properly and optional analytics cookies (with your consent) to understand usage. You can manage them in the app or your device settings.

Children The app is not intended for anyone under 18. If we discover data from a child, we delete it immediately.

Changes to this policy We may update this policy from time to time. If there are significant changes, we'll let you know via the app or email. Continuing to use Honeytreat after the update means you accept the changes.

Questions or want to exercise your rights? Reach out anytime at honeytreatacademy ltd@gmail.com or write to us in Lagos. We're here to help. 🧡

This Privacy Policy is part of our Terms and Conditions and satisfies the notice requirements under NDPA and FCCPA. Thanks for being part of the Honeytreat community! 😊
